WHY?

Why It Should Be Alzipmat Only

Alzipmat is well known for its safety function such as absorbing noise & shock and protecting children from injuries when they fall. The secret of its outstanding functionality comes from its patented egg-shaped Alzip structure.

Patented Egg-shaped Alzip Structure

Its unique egg-shaped Alzip structure effectively absorbs and prevents noise & shock and protects children from injuries when they fall.

Safe and Clean Product

PU synthetic leather cover is free from harmful chemicals and waterproof for easy care. Inner cushion is eco-friendly PE or PU foam which provides durability and safety.

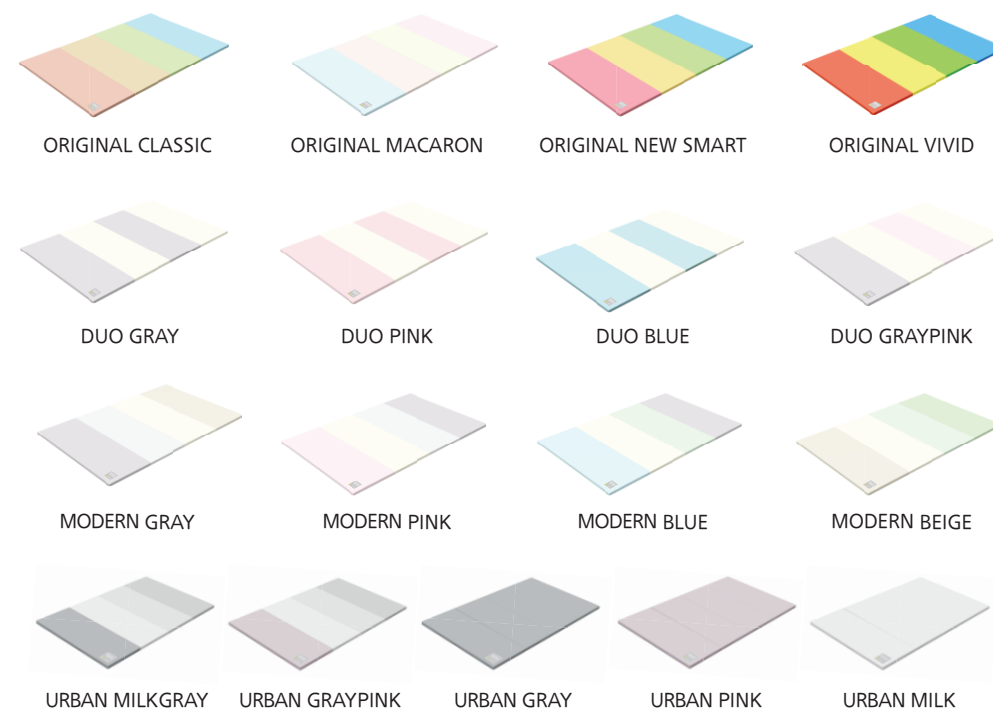

ECO COLOR FOLDER

Eco Color Folder is carefree because it uses no hazardous materials from the beginning!
